WHY PARTNER WITH OAKLEY

Oakley ERP is a leading strategic Sage Business Partner in Essex, London and the surrounding areas. We are firmly focused on creating businesses an advantage through our experienced hands that include staff working in the ERP industry for over 30 years. We have streamlined our approach to ERP Implementations and know what it takes to deliver a successful Sage ERP solution.

OUR SOLUTIONS

Oakley are an award winning Sage Business Partner and have accreditations for [Sage 200](#), [Sage 300](#) (formerly Accpac) and [Sage CRM](#).

We have also developed optional modules such as [VATpac](#), [RatePac](#) and [SIM50](#) which are available exclusively for Oakley customers.

PARTNERSHIP

We have successfully run our partnership program for 18 months and are now looking to expand our trusted partner network.

A partnership agreement with Oakley is custom made to meet with your needs when making the decision to recommend a more robust accounting solution for your clients.

REFERRAL PROCESS

Your client is frustrated with their accounting software

Introduce your frustrated client to us

Oakley advise a suitable ERP solution and provide information

You receive a referral fee
